## L3 Harris Narda-MITEQ

Mixers  
Amplifiers  
Multipliers  
Fiber Optic Links  
RF Safety Products  
MIL, Commercial & Space SATCOM

Couplers  
Power Dividers & Hybrids  
Attenuators  
PIN Switches  
PIN Limiters

## Teledyne Storm Microwave

Coaxial Cable & Assemblies  
Flexible and Semi-Rigid Cable to 110 GHz  
Commercial, Hi Rel & Space

## K&L Microwave – BSC

RF & Microwave Filters  
[K&L Filter Wizard](#)  
Filter-based Sub-assemblies

## Sanmina

Printed Circuit Boards  
Backplanes  
Backplane Assembly

Multi-Layer thru 50 Layers  
Signal Integrity Support  
Rigid and Rigid-Flex

## Custom MMIC

Custom/Standard MMIC's for Wireless/Microwave Applications  
Amplifiers  
Mixers

Switches  
Attenuators

## Corning Gilbert

Custom/Standard Microwave and RF Coaxial Connectors  
GPO  
G3PO  
GMS

GPPO  
G4PO  
Various Test Adaptors

## Knowles Precision Devices

RF Capacitors (MLC & SLC)  
DC Blocks  
Thin Film Components & BTP  
EMI Filters

High voltage Capacitors  
Hi -Temp Capacitors  
Hi -Reliability Capacitors  
Trimmer & Hi Q Capacitors

## Woven Electronics

Electrical and Mixed Signal Assemblies & Harnesses  
Custom Connectors & Backshells

## SynQor

DC-DC Converters  
AC-DC Converters  
Configurable Power  
Assemblies

EMI Filters  
Military Power Systems  
UPS Systems

## Aptiv

Formerly Delphi Connection Systems  
Military/Commercial Electrical/Fiber Optic Connectors & Assemblies

## X-Microwave

A modular system of RF building blocks which provide a quick path from concept to prototype to production  
[Introduction to X-Microwave](#) (video)

## Ametek

Microelectronic Packages  
Flatpacks  
Plug-Ins  
Power Surface Mounts  
CNC Machined Housings

High Temp Cofired Ceramics  
Metal Platforms  
Transistor Outlines  
Windows, Lids and Covers

## PoleZero

Integrated Co-Site Equipment  
DC to 3 GHz  
Tunable RF & Microwave Filters and Pre-selectors

Co-Site Analysis
